Five questions to ask an AI vendor before you sit through the demo

SWIPE ►

— ASK THIS FIRST

Which model is underneath

A lot of AEC specific tools are a thin layer over someone else's foundation model, so ask which one and what that means for quality and control.

— ASK THIS NEXT

What happens to your data

Get a straight answer on whether your inputs train the vendor's model and whether that stops the moment you cancel.

— ASK THIS TOO

Who is accountable for a wrong output

Know who owns a mistake before one reaches a client, not after.
